Community voting on funding

THE community will decide how the Calderwood Valley Seedling Fund is spent.

In its third year, the grant initiative, established by Lendlease and social enterprise Sprout Ventures, is awarding \$18,500 to help Illawarra not-for-profits and individuals run programs, start initiatives and purchase items.

Three finalists were recently selected, with each of the finalists receiving \$1000.

The community will now help decide how the remaining funding will be allocated.

The three finalists that will participate in the communi-

VOTE: The community will help decide how the remaining funding will be allocated. The funds will then be distributed based on the percentage of votes.

ty voting round are Healthy Family Services Illawarra.
