INTERNATIONAL VENUE FOR GLOBAL CHAMPIONS TOUR

London, 19 April 2013- The world's leading show jumping championships will be staged on the site of The International Quarter, adjacent to Queen Elizabeth Olympic Park cementing the extraordinary equestrian legacy from the 2012 London Olympic and Paralympic Games.

Global Champions Tour will bring world class 5 star show jumping to the capital from June 6 - 9 with the full support of Mayor of London Boris Johnson and his Chief of Staff Sir Edward Lister. It will be one of the first international sporting events in the Queen Elizabeth Olympic Park since the London Games and comes only weeks before the north park site opens fully to the public.

Sir Edward Lister, Chief of Staff to the Mayor of London, said: "I'm delighted that the organisers of the Global Champions Tour have found a new venue in London on The International Quarter, adjacent to the Queen Elizabeth Olympic Park to host this world class international equestrian event. It is vital that the legacy of the London Olympics and Paralympics are delivered across as many sports as possible to allow as many people as possible to continue to enjoy the success generated by all our medal winners last year. This event will help to do just that."

Lend Lease Managing Director of Development, Mark Dickinson said: "The Global Champions Tour ethos is about bringing the sport to exciting, international, high profile locations. The International Quarter is delighted to be their location of choice and we look forward to sharing the benefits of this four day family event with local communities"

The high profile international event will overlook the Olympic Stadium and Aquatics Centre. An application to stage the event at Kensington Gardens was turned down.

Event organiser, Peter Phillips of SEL-UK (Sports & Entertainment Ltd) said: "We are delighted that we are still able to bring this world class show jumping championship series to the UK to build on the fantastic Olympic legacy of Great Britain's equestrians. It is a great opportunity to stage the competition by the Queen Elizabeth Olympic Park, which creates a true link to the legacy of the London Games. We have already received commitments from international sponsors and from the public and look forward to bringing the event to a new audience."

A grandstand for 3,000 spectators, paying between £10 and £50, will be erected around the arena with corporate hospitality marquees for 700 people alongside.
