Jordan Springs' residents celebrate opening of Village Oval with community fun day

Sydney, 28 November 2016: Lendlease officially opened its new 5.5-hectare Village Oval playing fields yesterday with a community celebration for the whole family.

More than 500 locals and residents attended the celebration, playing games with family and friends and enjoying local entertainment.

General Manager of NSW/ACT Communities, Arthur Ilias, said that having a community with parks, open spaces and facilities, like the Village Oval, is extremely important to families in the Jordan Springs area.

"Research commissioned by Lendlease found that 87 per cent of Australian parents believed playgrounds, parks and outdoor spaces are the most important amenities to have within their neighbourhood.

"Parents are looking for outdoor places where their children can play, where family and friends can get together, and where they can strengthen their ties with the community.

"From picnics on the grass to kicking a footy with friends, the Village Oval playing fields offer residents and the community a great opportunity to spend more time outdoors," said Mr Ilias.

Not-for-profit sporting clubs and associations were delighted with the enthusiasm of locals of all ages and joined the celebration to drum up interest for sports and activities for the 2017 winter season.

The Jordan Springs Dads' Group raised more than \$2,000 for The Children's Hospital at Westmead with a community BBQ and show bag sales.

The Village Oval is one of the largest outdoor areas in the Jordan Springs community and includes playing fields, basketball and netball courts, and gym and Parkour circuits. It also has a learn-to-ride bicycle circuit and two off-leash areas for four-legged friends.
