

Lendlease finalist in 2017 Global Healthy Workplace Awards

Sydney, 10 July 2017: Lendlease is proud to have been selected as one of only two finalists in the multi-national category in the 5th Global Healthy Workplace Awards to be announced on 2 September 2017 in Singapore.

The Global Healthy Workplace Awards recognise organisations implementing programs that excel in the creation of healthy workplaces. The Awards program allows employers to compare and benchmark their programs to the global standard and, if successful, to celebrate their achievement. Award winners can distinguish themselves as an employer-of-choice when attracting new talent or in retaining existing employees. With an emphasis on both universal relevance and adaptability to local conditions, the Awards demonstrate an employer's focus on promoting a safe and healthy work environment.

The Awards, now in their fifth year, are hosted by the Global Centre for Healthy Workplaces (GCHW) with Singapore's Health Promotion Board of the Ministry of Health, and take place immediately prior to the World Congress on Safety & Health.
