Pint-sized explorers come face to face with exotic creatures at Macarthur Square's *Safari Adventure*

Sydney, 3 August 2017: Dig out your binoculars and dust off your safari suit ... some of the world's most exotic animals are roaring into town!

Macarthur Square shopping centre is transforming into a grassy African savannah for a roar-some four-week Safari Adventure, and shoppers might just be surprised at some of the special guests they'll come face to face with during their travels.

Kicking off on Monday 7 August, pint-sized safari seekers are in for a jaw-dropping good time as they discover a menagerie of life-size furry, feathery and fluttery creatures on their expedition, from lofty giraffes, majestic birds and butterflies, and cheeky gorillas, to the largest of all land mammals, elephants.

Centre Manager Pedro Araujo said Macarthur Square was thrilled to be the first centre in south west Sydney to be bringing this exhilarating animal kingdom to the region.

"With state-of-the-art animatronics and authentic animal sounds, shoppers will be transported to a scenic safari landscape and may even forget they're in a shopping centre.

"Designed for the young and young at heart, all Macarthur Square shoppers are in for an unforgettable wildlife experience," said Pedro.

Young adventurers can also get involved in an action-packed program of safari-themed activities, including daily safari tours (don't forget your camera!), camp fire storytelling and craft workshops.

For those who just can't get enough of these wildlife encounters, Macarthur Square is giving away a once-in-a-lifetime trip to Africa valued at \$18,000, where one lucky family will have the chance to get up close and personal with creatures great and small on their very own safari adventure!

The competition opens on Monday 7 August, with shoppers receiving an entry when making a purchase from any participating specialty retailer. A winner will be drawn at random on Monday 4 September.
