

Lendlease Celebrates Safety Week 2017

(New York, NY, May 1, 2017) — Lendlease, one of the world's largest property, infrastructure and construction management firms, is proud to be a partner of Safety Week 2017, the largest industry event of its kind. Along with over 50 other national and global construction firms, Lendlease project sites and real estate assets throughout the United States will host a week of activities aimed at addressing Lendlease's commitment to safety.

Throughout Safety Week 2017, Lendlease and its partners will be engaging employees in enhanced safety training and awareness activities including equipment demonstrations, health and wellness screenings, educational sessions, certifications, reorientations, exercise sessions and recognition lunches, among others. Some of Lendlease's notable sponsored Safety Weeks events are listed below:

- New York - Lendlease will conduct a full week of safety programming across all the jobsites Lendlease manages in the New York Metro area. On May 3, Lendlease will host a Health and Safety Fair at its New York office, attendees of the fair will be able to get free health screenings and meet with a nutritionist.
- San Francisco –At Mission Bay Block 1 project where Lendlease is serving as the contractor for the project. On May 1, Lendlease will host a training session on fall prevention of people and materials.
- Chicago – On May 3, Lendlease will host a fire safety training session at the Riverline Development. Lendlease is serving a co-developer with CMK Companies on the 14 acre development, in addition Lendlease is serving as the construction manager for the development that will create over 3,600 residential units over a ten year timeline.
- Los Angeles – At the Oceanwide Plaza site, Lendlease will conduct a full week of safety programming highlighted by hosting a fire prevention training session on May 2. Lendlease is serving as the contractor for Oceanwide Plaza, one of the largest construction projects in the state of California.
- Boston - On May 4, Lendlease is scheduled to host an OSHA roundtable safety discussion at the Clippership Wharf development site where Lendlease is serving as developer and construction manager. Clippership Wharf development will transform an underutilized section of the East Boston Waterfront that has been vacant for over 25 years into an active vibrant mixed used community with over 478 new homes.

-More-

- Fort Drum– On May 4, Lendlease will host a mental health training session for personnel on site at Fort Drum. Lendlease serves as the developer, design/builder and asset manager for the privatize military housing on the base.
- Washington D.C. – On May 5, Lendlease will host a site wide Safety Standdown focused on fall protection on site at the 4747 Bethesda Ave development site. Lendlease is serving as the Construction Manager for the residential project.

“Safety Week provides an opportunity to celebrate safety and understand the need for making sure each and everyday everyone goes home to their loved ones,” said James Mooney, Head of Environment Health and Safety, Lendlease Americas. “This year Safety Week is focused on Hand Safety which is an important theme because safety is in the hands of everyone in the construction industry.”
