## Development Application lodged for new cinema and outdoor dining precinct at Caneland Central

**Mackay, 13 December 2016:** Lendlease has lodged a Development Application with Mackay Council for a proposed leisure and entertainment expansion at Caneland Central.

The 6,000 square metre proposed development would see the relocation of the current city based Birch Carroll & Coyle cinemas to a new purpose built entertainment precinct, adjacent to the Centre's current restaurants fronting Matsuura Drive.

The new, state-of-the-art, six screen cinema complex will include the V-Max experience and be complemented with additional restaurants located along the Riverfront dining precinct, adjacent to the Pioneer River and Bluewater Trail.

Caneland Central Centre Manager, Simon De Barro, said the proposed expansion would enhance Caneland Central's existing lifestyle leisure offering with a range of outdoor dining options to accompany the new cinemas.

"Caneland Central prides itself on offering the people of Mackay a great place to meet, shop, work and be entertained, and today's lodgement signals a willingness to continue to invest in the Centre and the Mackay region.

"If this development gains the relevant approvals to proceed, we hope to see an exciting, vibrant range of outdoor/indoor dining and leisure options, that will deliver our customers a unique entertainment experience," he said.

Mackay Mayor Greg Williamson said he welcomed the development and renewed investment in the region.

"Mackay is experiencing stable economic activity and Council is most excited that Lendlease is taking steps towards their next development. Construction always brings jobs, and this development is paving the way for future events and activities at the western end of the City Centre," he said.

Caneland Central is the premier retail destination in the Mackay region with over 200 specialty stores. Recent stores added to the Centre's offer include Timezone, Rivers, Napoleon Perdis and Zing Pop Culture.
