Lend Lease land releases have something for everyone to love

Queensland, 6 January 2014-Lend Lease will release more land in their sought-after communities on 18 January to meet south-east Queensland's growing demand.

Land releases will be across Lend Lease's five south-east Queensland Communities – Yarrabilba, Woodlands, Stoneleigh Reserve, Springfield Lakes and Fernbrooke Ridge - with land priced from \$151,000, and house and land packages from \$320,000.

Available lots will include the new village Willow Rise at Woodlands and new living option The Terrace Homes at Yarrabilba, giving buyers exceptional choice and value for money.

Lend Lease General Manager for Communities in Queensland, Guy Gibson said both the affordably-priced home and land packages, and the excellent amenities in Lend Lease Communities attracted buyers.

"January's land release has something everyone will love – for some it's the affordability and choice in the home and land packages, for others it will be the incredible existing and new amenity, especially in our quality outdoor spaces," Mr Gibson said.

Mr Gibson said during the summer months the Communities' parks, walking and cycling paths and outdoor areas came to life.

"We know how important great parks are in making the best places, so we're keen to showcase these beautiful outdoor gathering places for everyone to enjoy."

Family and friends can enjoy the outdoors during January at free events including Music in the Park in Springfield Lakes on Saturday 18 January, Music on the Green at Stoneleigh Reserve on Sunday 19 January and Splash, Sounds and Surrounds at Yarrabilba on Saturday 25 January,
