"Lendlease works closely with the Department of Defense with a unified goal to provide housing communities aimed at improving the quality of life for military service members and families across the country," said Phillip Carpenter, LLCF Chairman of the Board. "We appreciate the constant sacrifices that our service members and their families make, and we are honored to give back to them. This year marks 7 years of hosting our golf tournament, and I am proud to say we have successfully given back over \$1.9m thanks to all who have contributed to the tournament and continue to do so year after year. Our efforts wouldn't be possible without our sponsors and dedicated Lendlease volunteers."
